

Driving impact and equity

Exploring new opportunities for public-private partnerships in education

Join us for a roundtable discussion exploring the depth, breadth and impact of public-private partnerships (PPPs) in education with business leaders, donor country representatives and international organizations.

What the private sector can offer education systems around the world

How stakeholders can improve public-private partnerships to achieve mutual goals more effectively

Roadblocks to action and examples of success

June 3, 2024
11:00 AM – 12:15 PM
Grand Hyatt Berlin

RSVP at gbc-education.org/berlin

This invite is non-transferrable

The Global Business Coalition for Education is a movement of businesses dedicated to ending the global education crisis.
